

Baldwin 140m²

Design

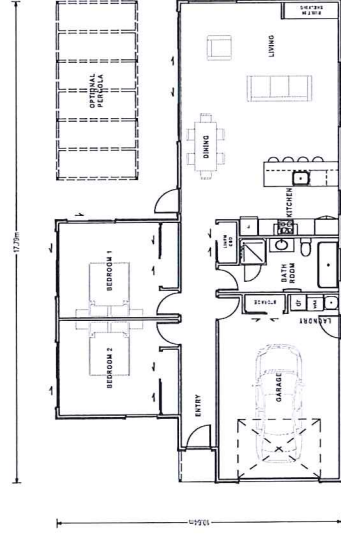

Functional, contemporary and unique, the Baldwin is a nod to the modern barn; a compact design with plenty of personality. This two-bedroom home is the perfect place to start your journey up the property ladder, with high ceilings in the living area and distinctive architectural elements lending the property a surprising sense of space.

Features

- Contemporary exterior style
- Oversize single garage with extra storage
- Raking ceiling through living area
- Optional pergola
