Only 9 industrial lots left for sale

There continues to be a lot of interest generated in the light industrial lots at Ravenswood as a result of our current advertising campaign.

Of the 36 lots put on the market we now have 23 lots sold unconditionally and 4 under contract, leaving only 9 lots left for sale.

If you have been considering one of these lots, don't leave it too long to talk to us as we expect these will all be sold soon. There will be no more of these lots so it really is a once-in-a-lifetime opportunity to get in early in the development and secure your own commercial property.

They have a fantastic location close to McDonalds, New World and BP with easy access directly off State Highway 1 where 18,000 cars a day drive past.

With its New World Supermarket the Ravenswood commercial precinct will become the commercial hub for the rapidly-growing communities of Ravenswood, Woodend and Pegasus directly servicing a population of around 12,000.

To view availability of light industrial lots for sale go to <https://www.ravenswood.co.nz/commercial-and-industrial/lots-for-sale/>

In other news, City Care, our preferred tenderer to undertake the civil construction works has now moved a couple of containers to the Ravenswood site in preparation for earthworks starting in March.

The countdown is on!

Photos below show City Care containers now on site and aerial view of roundabout entrance to Ravenswood off State Highway 1 directly opposite entrance to Pegasus. City Care containers visible in bottom right of photo.

If you would like any more information on our light industrial, commercial or residential lots, please contact our sales manager Jenny Lake on jlake@ravenswood.co.nz or 03 375 0010.
